Location: Fremont County, WY

Reports to: GIS and Drone Specialist

FLSA Status: Non-exempt, Seasonal

Summary:

Under the direction of GIS and Drone Specialist, this internship will offer a broad range of opportunities that are directly associated with the management of invasive and noxious weeds within Fremont County, WY.

Duties and Responsibilities:

- Adhere to all FCWP District policies
- Ability to communicate effectively with FCWP staff, landowners, and concerned members of the public
- Assist in maintaining a safe work environment
- Identify invasive and noxious species at various growth stages
- Acquire a Wyoming Commercial Pesticide Applicator License within one month of employment, Commercial Core and 901A-Agricultural weed certification
- Calibrate spraying equipment
- Safely mix and load agricultural pesticides
- Read and understand pesticide labeling

- Apply pesticide to target pests utilizing backpack, handgun, and broadcast spray equipment
- Control target pests utilizing mechanical control methods such as pulling, digging, cutting, and chopping
- Operate and navigate effectively using a GPS unit
- Collect data using a GPS unit
- Perform computer related tasks using GIS software and Microsoft Office
- Keep and file required daily records
- Follow district record filing protocols
- Acquire the FAA trust certificate within one month of employment
- Charge and replace drone battery packs

- Safely operate District equipment on and off road
- Perform light maintenance on district equipment
- Perform other duties as assigned

General Expectations

- Represent the District in a professional manner
- Report any safety issues to direct supervisor
- Be punctual and manage time at work effectively
- Work well in a team environment
- Maintain a positive attitude

Mission: To provide noxious weed and pest management services to the residents of Fremont County by applying integrated pest management practices which consider the environment, the economy, and the well-being of our resources.

Safety * Public Service * Communication * Innovation * Dedication * Education
